## **Marlborough Craft Brewer: Renaissance Range**

Voyager Indian Pale Ale 400ml Glass (on Tap)	9.50
--	------

Four malts produce the beer's rich amber hue and biscuity, toffeeish and nutty flavours, while our London ale yeast contributes its own tart, berry-like signature. Resiny hops dominate the beer's emphatic finish.

Paradox Pilsner 400ml Glass (On Tap)	9.50
--------------------------------------	------

Explosion of passionfruit and citrus aromas - the signature of the Riwaka hop variety. On the palate the initial biscuity malt sweetness is soon joined by those zingy tropical fruit hop notes and leads into a racy tart finish.

Perfection English Pale Ale 500ml	14.50
-----------------------------------	-------

Inspired by the boldly hoppy Ales of old that were exported from Britain to the furthest corners of her vast and glorious empire, Voyager I.P.A. is a rich satisfying Ale with an emphatic hop bite.

Discovery American Pale Ale 330ml	8.50
-----------------------------------	------

Designed to showcase the unique resiny fruitiness of American hops. The racy up front fruit flavours, mixed with the Nelson grown Cascade and Willamette hops, fill the mouth with grape-fruit zestiness and lingering tangy resins.

Empathy Table Beer 330ml	8.50
--------------------------	------

A lower alcohol ale full of New Zealand hop flavours. Only 2.4% ALC/VOL
